## FREE Member Event

INLA's Outreach and Member Luncheon events are a great time to network and discuss the industry issues in a relaxed atmosphere. You also will be treated to a great lunch—FREE! Members are encouraged to invite non-member guests in your community.

The board and membership committee wants your feedback on trends and issues impacting your business and how INLA addresses your needs. Your input is important and helps guide the board in identifying objectives for 2012.

The Luncheon is FREE to members and industry non-member guests. Take advantage of this great opportunity to exchange ideas with the INLA board and your peers.

**Great opportunity to introduce others in the industry to INLA! Treat yourself and perhaps some of your staff to a relaxed lunch.**

- **Free Lunch**
- **Network**
- **Discuss industry issues**
- **Invite non-members (also free!)**
